QUALIFICATION SPECIALIZATION:

- **PhD in : Vascular Pharmacology**

University of Cambridge

- **Master's in : Pharmacology and Therapeutics**

University of British Columbia

HONORS & WARDS:

- National Research Award 2017 (The Research Council, Oman) – Best Research in Health and Social Services Sector
- SQU Certificate of Distinction in Research (2007–2008)
- SQU Certificate of Best Researcher (2026)

PROFILE (Short-Bio: Max-100 words)

Dr. Yousuf Al Suleimani is a Professor in the Department of Pharmacology and Clinical Pharmacy at Sultan Qaboos University, Oman. He obtained his MSc in Pharmacology and Therapeutics from the University of British Columbia, Canada, and his PhD in Vascular Pharmacology from the University of Cambridge, UK. His research focuses on experimental pharmacology and clinical pharmacy, particularly cardiovascular pharmacology and kidney injury. He has an extensive record of scientific publications, research supervision, and multidisciplinary collaboration. He previously served as Head of the Department of Pharmacology and Clinical Pharmacy from 2015 to 2023 and has contributed significantly to medical education, curriculum development, and academic leadership.

WORK EXPERIENCE

- **2003–2006: Demonstrator, Department of Pharmacology and Clinical Pharmacy, SQU**
- **2006–2012: Lecturer, Department of Pharmacology and Clinical Pharmacy, SQU**
- **2012–2020: Assistant Professor, Department of Pharmacology and Clinical Pharmacy, SQU**
- **2020–2026: Associate Professor, Department of Pharmacology and Clinical Pharmacy, SQU**
- **2026–Present: Professor, Department of Pharmacology and Clinical Pharmacy, SQU**

RESEARCH INTERESTS

- Experimental vascular and cardiovascular pharmacology
- Chronic and acute kidney disease models
