QUALIFICATION SPECIALIZATION:

- **PhD in Pharmacology:** University of British Columbia
- **Master's in Pharmacology-Biochemistry: Cairo University**
- **MBBCh:** Cairo University

HONORS & AWARDS:

- **Canadian Medical Research Council Fellowship**
- **University Of British Columbia Graduate Fellowship**

PROFILE (Short-Bio: Max-100 words)

I received the MB BCh and MSc (Pharmacology-Biochemistry) from Cairo University and the PhD (Pharmacology) form University of British Columbia. I received my postdoctoral training at the University of Melbourne and the University of Ottawa Heart Institute. I have a long experience in teaching pharmacology to medical, dental and nursing students. In addition, I am involved in teaching pharmacy students in the master of Clinical Pharmacy program. My research interests include cardiovascular and renal pharmacology and studying utilization patterns of drugs. I also supervised MSc and PhD students and the research projects of undergraduate students.

WORK EXPERIENCE

- **2024 - Present**
  Professor, Department of Pharmacology & Clinical Pharmacy, College of Medicine & Health Sciences, Sultan Qaboos University.
- **2015-2024**
  Associate Professor, Department of Pharmacology & Clinical Pharmacy, College of Medicine & Health Sciences, Sultan Qaboos University.
- **2009-2015**
  Professor & Chairman, Department of Pharmacology, Faculty of Medicine, Minia University.
- **2008-2009**
  Associate Professor, Department of Pharmacology & Clinical Pharmacy, College of Medicine & Health Sciences, Sultan Qaboos University.
- **2003-2008**
  Assistant Professor, Department of Pharmacology & Clinical Pharmacy, College of Medicine & Health Sciences, Sultan Qaboos University.
- **1998-2003**
  Assistant Professor, Department of Pharmacology, Faculty of Medicine, Minia University.
- **1995-1997**
  Postdoctoral Fellow, Training program in Clinical Chemistry, University of Toronto
- **1993-1995**
  Research fellow, Hypertension Unit, University of Ottawa Heart Institute.
- **1992-1993**
  Research fellow, Department of Medicine, University of Melbourne

RESEARCH INTERESTS

- **Cardiovascular Pharmacology**
- **Renal Pharmacology**
- **Drug Utilization studies**
