

UPDATES

The conference was concluded on Tuesday January 24, 2012. This page contains some concluding information and conference photos. If you want to add to the photo gallery below, please send your photos to me (yeldsman@squ.edu.om) before the end of February 2012.

The radical theory webpage can be found at <http://moonstone.math.ncku.edu.tw/radicals/>

If you want to add to this site, please send your contributions to Edmund Puczyłowski at edmundp@mimuw.edu.pl .

The final list of participants with abstracts and conference program, is available [here](#).

There will be no printed proceedings of the conference. This website has a page (see below) where you may post a full version or an extended abstract or just a printed version of your conference slides. Please submit these to me as a pdf file as soon as you have it ready.
