

International Conference on Analysis and Applications

January 24-26, 2010

Sultan Qaboos University, Muscat, Oman

Aim

The conference aims to reflect the current state of the art in the study of analysis and to discuss new developments and future directions. It hopes to promote a spirit of training, learning and communicating through the active participation and scientific exchange among analysts around the world.

Program

The Conference will consist of plenary talks of 45 minutes (40 + 5 for discussion) and contributed talks of 25 minutes (20 + 5 for discussion) in parallel special sessions. All areas of analysis-related mathematics will be covered, especially:

Complex Analysis
Numerical Analysis
Real and Functional Analysis
Topology
Applications of Analysis to Other Areas of Mathematics and Science

Organizing Committee

Mehiddin Al-Baali	Aref Kamal
Mohamed Al-Lawati (Convenor)	Sebti Kerbal
Ahmed Al-Salman	Mohammad Khan
Ziyad Al-Sharawi	Shamil Makhmutov
Abdul Mohamad Al-Soodinay (chair)	Jasbir Manhas
Sanjiv Gupta	Tsukasa Yashiro

Invited Speakers

Raghib Abu-Saris, Walden University, USA-Canada
Rauno Aulaskari, University of Joensuu, Finland
Jiling Cao, Auckland University of Technology, New Zealand
Yong Ding, Beijing Normal University, China
Anthony Dooley, University of New South Wales, Australia
David Gauld, University of Auckland, New Zealand
Chris Good, University of Birmingham, UK
Chin-Cheng Lin, National Central University, Taiwan
Gaven Martin, Massey University, New Zealand
Jorge More, University of Chicago, USA
Fulvio Ricci, Scuola Normale Superiore, Italy
Stephan Ruscheweyh, University of Wuerzburg, Germany
Robert Sharpley, University of South Carolina, USA
Samir Siksek, University of Warwick, UK

How to Apply For Participation

The application form can be accessed at the conference website:
<http://www.squ.edu.om/Portals/87/Conference/ICAA10/Conference2010/ICAA10.html>
Email: icaa10@squ.edu.om

Important Date

Abstract Submission and Registration Deadlines: December 31, 2009

Conference Location

Department of Mathematics and Statistics
College of science
Sultan Qaboos University
Muscat, Oman

Sponsors:

Sultan Qaboos
University

The Abdus Salam
International Centre for
Theoretical Physics
