Specialization Survey **

I have selected the specialization (Choice#1) because:

Please select only three and rank them from 1 to 3 (NOTE: 1 has the strongest reason)

- a. () **I like that specific specialization.**
- b. () **One of my relatives (father, brother, sister, etc) advised me to be in that specific specialization.**
- c. () **One of my student friends advised me to be in that specific specialization.**
- d. () **One of my graduated friends advised me to be in that specific specialization.**
- e. () **This specialization offers great job opportunities after my graduation.**
- f. () **Graduates from this specialization usually receive very good salaries.**
- g. () **I have selected this because of my cum GPA.**
- h. () **The specialization courses are very simple and not complicated.**
- i. () **I heard that the faculty in that specialization are good.**
- j. () **Based on information from my advisor.**

*** This survey does not affect your choice of specialization. This is done for statistical purpose only.*
