PROFILE (Short-Bio: Max-100 words)

Yasser Wali, based in Oman, is Professor and Head of the Paediatric Haematology/Oncology Unit in the Child Health Department at Sultan Qaboos University . He is a member of the Paediatric Education Committee in Oman Medical Specialty Board, responsible for training paediatric residents in Oman. Prof. Wali trained at the Alexandria Children's University Hospital in Alexandria, Egypt and completed his master's and doctoral degrees in paediatrics from the same university. He gained his membership of the Royal College of Physicians (MRCP) certification and was elected as a fellow of the Royal College of Paediatrics and Child Health (FRCPCH UK) in 2005. As an associate editor and reviewer for several peer-reviewed journals, Dr Wali has extensive experience in publications, including over 160 peer-reviewed journal publications and 400 abstracts and presentations at international and local meetings.
