QUALIFICATION

SPECIALIZATION:

- **PhD in Diagnostic and Molecular Microbiology**
Alexandria University, Egypt (2016)

- **MSc in Diagnostic and Molecular Microbiology**
Alexandria University, Egypt (2012)

PROFILE

Dr. Amira ElBaradei is currently an assistant professor in the Department of Microbiology and Immunology, College of Medicine and Health Sciences, Sultan Qaboos University. She has earned her PhD in Diagnostic and Molecular Microbiology from Alexandria University, in 2016. She has more than 10 years of teaching experience as well as several published research articles. Her work focuses on antimicrobial resistance, molecular and diagnostic microbiology, investigating resistance mechanisms and virulence factors using molecular approaches with the goal of improving patient care. She actively contributes to curriculum development and student advising, demonstrating a strong commitment to both education and scientific development.

WORK EXPERIENCE

- **February 2024 - Present**
Assistant Professor, Department of Microbiology and Immunology, College of Medicine and Health Sciences, Sultan Qaboos University (SQU).
- **September 2023 to January 2024**
Visiting Faculty, Department of Microbiology and Immunology, College of Medicine and Health Sciences, Sultan Qaboos University (SQU).
- **February 2023 to June 2023**
Part-time instructor, Department of Microbiology and Immunology, College of Pharmacy, Arab Academy for Science, Technology & Maritime Transport (AASTMT).
- **July 2016 to August 2022**
Lecturer, Department of Microbiology and Immunology, Faculty of Pharmacy, Pharos University in Alexandria (PUA).
- **October 2015 to July 2016**
Teaching Assistant, Department of Microbiology and Immunology, Faculty of Pharmacy, Pharos University in Alexandria (PUA).

RESEARCH INTERESTS

- Antimicrobial resistance
- Molecular microbiology
- Diagnostic microbiology
