**QUALIFICATION**

**SPECIALIZATION:**

- **PhD in Developmental  
Biology:**

University of Bath, UK

- **MD :**

Sultan Qaboos University,  
Sultanate of Oman

## PROFILE

I am an Assistant Professor in the Department of Human and Clinical Anatomy at the College of Medicine and Health Sciences. My teaching portfolio includes Gross Anatomy, Embryology, and Clinical Anatomy. My primary research interests center on investigating congenital anomalies and anatomical variations specifically within the Omani population, utilizing radiological imaging. Additionally, I am dedicated to the advancement of anatomical education through pedagogical research and the integration of innovative educational technologies in medicine.

## WORK EXPERIENCE
