10. Professional development activities (Briefly list the most recent professional development activities).

1. The courses I taught at Sultan Qaboos University since 2015 for Bachelor students are as follows

- The World Food Problem (NREC2001)
- Mathematical Economics (NREC4101)
- Food Service System Operations (NREC3107)
- Production Economics (NREC3010)
- Management & Business Skills (CAMS4001)
- Quantitative Analysis for Agricultural Activities (NREC6002)

2. The courses instructed and taught at Giessen University – Giessen, Germany as follows (from 10th to 14th June, 2014 and from 3rd to 7th June, 2013)

- Economic Modeling with GAMS: Basics and Application in Agricultural Economics Research.

3. Partial Supervision of Postgraduates (PhD Thesis) - at Justus Liebig Giessen University in Germany during 2013 – 2014,

Title: Impact of Microcredit on Poverty Alleviation in Rural Sudan: an applied approach in North Kordofan, Central-west Sudan. The Candidate Name: Abdelateif Hassan Ibrahim, Country: Sudan. 2013.

Title: Land Tenure Arrangements, Factor Markets Development and Agricultural Production in China: Evidences from Henan Province. Candidate: Xiaohuan Yan, Country: China. 2014

Title: Socio-economic Analysis of the Impact of Climate Change on Nepalese Agriculture. The Candidate Name: Ujjal Tiwari, Country: Nepal. 2014.

Title: Resource Allocation, Consumption Pattern, and Risk Perception: A Farm Household in West Africa. The Candidate Name: Bwala Madu Ali, Country: Nigeria. 2014.

SUPERVISION in SQU

1. Main Supervisor for a Ph.D. student with the title: Small-scale Farmer's Market Participation: the Role of Collaborative Arrangements – PhD. Research (Start in 2017 – 2020) – in progress.
2. Main Supervisor for a Vegetable consumer preference analysis: Origin Oman versus Imported vegetables (BSc. Dissertation) completed in 2017.

ON-GOING RESEARCH AND CONSULTANCIES:

RESEARCH PROJECTS:

1. A principal investigator of Internal Grant Research Fund with the title: Integration of Small-scale Farmers into Horticulture High Value Product Supply Chain: Implications for Smallholders and Agribusiness (IG/AGR/ECON/18/01) start 2018 end 2020.
2. A co-principal investigator in SQU-Deanship for Research Fund research (1st Jan. 2018 – 31st Dec. 2018) project with the title: Innovative knowledge transfer models to enhance the impacts of university outputs" (RF/AGR/ECON/18/01).

CONSULTANCIES:

Dr. Slim Zekri, Dr. Tarig Gibreel, Dr. Hemesiri Kotagama, 2017, **Strengthening National Capacities of Producer Organizations in the Sultanate of Oman**. To improve the capacities of the government, producer organization and their members the sultanate of Oman to enable the implementation of policies and programs for these organizations to perform their role as efficient and inclusive service providers. The project reference number is TCP/RAB/3603 – Started in May 1st 2017 to terminated on 31st December 2018 – total funded amount is 20,000 USD.

COMMUNITY SERVICE

Participated in the University Open day in Sur with a presentation on Contractual Agriculture: for better partnerships between farmers and private businesses to achieve food security for the Sultanate. February 2019 – Sur, Oman.
