QUALIFICATION

SPECIALIZATION:

- **Master's in:**
Nursing (Maternal Newborn Nursing)

Jordan University of Science and Technology

PROFILE

Experienced university lecturer with a strong background in education management and clinical instruction. Skilled in precepting, leadership, course design, simulation, case scenario development, high-fidelity training, and Basic Life Support (BLS). Proficient in Microsoft PowerPoint and effective in team and classroom management. Holds a postgraduate certificate in teaching and learning in health settings from the UK and a Clinical Instructor Diploma. Completed multiple training courses in management and women's health in Singapore and Japan. A proud Jordan University of Science and Technology graduate, I am dedicated to advancing healthcare education through innovative teaching strategies and evidence-based practice.
