PROFILE

I am Ms. Savithri Raman a dedicated Lecturer at the College of Nursing, Sultan Qaboos University, Oman, since 2005. A graduate of Rajiv Gandhi University of Health Sciences, Bangalore, India. I have over a 30 years of teaching experience and deeply passionate about educating undergraduate nursing students, particularly in Maternity Health, Advanced Nursing, and Health Assessment. My academic interests extend to simulation-based learning, nursing education, and women's health, with several publications in these areas. In addition, Committed to excellence in teaching, and continually seeking to integrate the latest technologies and innovative methods into education and practice. I am striving best to align my contributions with the mission and vision of the university, fostering quality education and professional growth.
