QUALIFICATION SPECIALIZATION:

- **PhD in Computer Science**
  Institut Polytechnique de Toulouse, Toulouse, France.

PROFILE (Short-Bio: Max-100 words)

Dr. Abdelhamid Abdessalem is an Associate Professor in the Computer Science Department at Sultan Qaboos University. He obtained a BEng. degree from the University Houari Boumedienne, Algiers, Algeria, and a master's degree in Artificial Intelligence and Pattern Recognition from University Paul Sabatier, Toulouse, France and a PhD degree in Computer Science (Computer Vision topic) from the Institut National Polytechnique de Toulouse, France. His Research interests include Image Processing and Computer Vision, Deep Learning and Large Language Models and their applications.

WORK EXPERIENCE

- **August 2003 - Present**
  Assistant Professor then Associate Professor,
  Department of Computer Science
  Sultan Qaboos university, Oman

- **May 2000 – July 2003**
  Assistant Professor,
  Department of Computer Science,
  Qatar University, State of Qatar

- **August 1994 – April 2000**
  Senior Lecturer,
  Faculty of Information Technology,
  University Malaysia Sarawak, Malaysia

RESEARCH INTERESTS

- Image Processing and Computer Vision

- Machine Learning and Pattern Recognition
