QUALIFICATION SPECIALIZATION

- **PhD in Computer Science**
  Case Western Reserve University, Ohio, USA, 2004
- **MSc in   Computer Science**
  Case Western Reserve University, Ohio, USA, 1998.
- **BSc in   Computer Science**
  Sultan Qaboos University, Oman, 1995.

HONORS & WARDS:

- **University honoring certificate for 20 years of service, SQU, 2015.**

PROFILE

Dr. Abdullah Al-Hamdani is an Associate Professor of Computer Science at Sultan Qaboos University, Oman. He earned his PhD in Computer Science from Case Western Reserve University, Ohio, USA. His research focuses on four key areas: Data Management and Semi-Structured Databases, Machine Learning and Data Mining, Service-Oriented Archectures, and Web Computing and Application Security. Dr. Al-Hamdani has supervised numerous MSc and PhD theses and published widely in these fields. He has held various academic and research roles at Sultan Qaboos University and actively contributes to academic committees, editorial boards, and collaborative research projects.

WORK EXPERIENCE

- **2020 - Present**
  Department of Computer Science, SQU, Oman
  Associate Professor

- **2004-2020**
  Department of Computer Science, SQU, Oman
  Assistant Professor

- **1998-2004**
  Department of Computer Science, SQU, Oman
  Lecturer

- **1996- 1998**
  Department of Computer Science, SQU, Oman
  Demonstrator

RESEARCH INTERESTS

- **Data Management and Semi-Structured Databases**

- **Machine Learning and Data Mining**

- **Service-Oriented and Enterprise Systems**

- **Web Technologies, IoT, and Security**
