Master's in Computer Science :
University of Franche-Comté, Besancon, France

PROFILE

Dr. Hamza Zidoum is an Assistant Professor of Computer Science at Sultan Qaboos University, Oman. He holds a PhD in Computer Science from Franche-Comté University, France. With research interests spanning artificial intelligence, machine learning, constraint programming, and medical image analysis, he has supervised multiple MSc and PhD theses and published extensively in these areas. Dr. Zidoum has held academic and research positions in Australia, the UAE, Turkey, and France, and actively contributes to academic committees, editorial boards, and research initiatives.

WORK EXPERIENCE

2002 - Present
Department of Computer Science,
Assistant Professor

2001-2002
School of Computer Science & Software Engineering, SCSSE, Monash University, Melbourne, Australia
Visiting Researcher

1998-2001
Department of Computer Science, UAE University, Al Ain, UAE
Assistant Professor

1997-1998
Department of Computer Engineering, Bilkent University, Ankara, Turkey
Post-Doc

RESEARCH INTERESTS

Artificial Intelligence and Machine Learning

Health Informatics

Constraint Programming
