ORCID:
https://orcid.org/0000-0001-9243-8402

QUALIFICATION SPECIALIZATION:

- **PhD in Computer Science**
  University of Mysore, IN

- **Master's in Computer Systems:**
  University of Mysore, IN

HONORS & WARDS:

- **National Research Award, Best ICT Project - MoHERI, Oman.**
- **Best Employee - Hewlett-Packard Research Labs**

PROFILE

Noushath Shaffi is an Assistant Professor at the Department of Computer Science, College of Science, Sultan Qaboos University. With a PhD in Image Processing and expertise in biometrics, he has made notable contributions to the field of Computer Vision. With prior experience as a research consultant at Hewlett Packard Laboratories, India, he brings industry insights to academia. He has several published US patents to his account. Recognized for his research excellence, he has received several grants from the Research Council of Oman and the National Research Award for his mentorship of the best ICT project. Noushath is driven by Computational Intelligence, Data Analytics and Healthcare and contributes at their intersection to provide safe and intelligent computational tools.

WORK EXPERIENCE

- **2024 - Present**
  Assistant Professor, Sultan Qaboos University, Oman

- **2009 - 2024**
  Assistant Professor, University of Technology and Applied Sciences, Oman

- **2007-2009**
  Research Consultant, Hewlett-Packard Research Labs, Bengaluru, India

- **2004 - 2007**
  Department of Studies in Computer Science, University of Mysore, India

RESEARCH INTERESTS

- **Application of AI in Health Care**

- **Multimodal Deep Learning**

- **Explainable Artificial Intelligence**
