QUALIFICATION SPECIALIZATION:

- **PhD in: Software Engineering**
University of Liverpool

- **Master's in: Software Engineering**
University of Liverpool

HONORS & AWARDS:

- **Best Researcher Award, SQU**
- **VIWA 2020 Award – Distinguished Women in Science**
- **IJRULA 2020- International Best Researcher in Computer Science**

PROFILE (Short-Bio: Max-100 words)

Prof. Dr. Zuhoor Abdullah Salim Al-Khanjari has over 20 years of experience in teaching and research in the Department of Computer Science, College of Science, SQU, Muscat, Oman. She is a Professor in Software Engineering, Computer Science. She received her B.Sc. in 1993 in Maths & Computing from SQU, and both M.Sc. in 1995, and PhD in 1999 in Software Engineering from the University of Liverpool, UK. She participates in the Evaluation Committees for IT international awards, the Editorial Boards of IT International Journals and Conferences, and other professional bodies and societies. She published 73 Journal and 79 conference papers in International journals and conference proceedings. She supervised and currently supervising several PhD and MSc thesis in SQU and internationally. Her research interests include Software Engineering, Software Testing and Security, DB, E-Learning, M-Learning, Smart Learning.

WORK EXPERIENCE

- **2019 - Present**
Professor, Department of Computer Science, SQU

- **2009-2019**
Associate Professor, Department of Computer Science, SQU.

- **2002-2009**
Assistant Professor, Department of Computer Science, SQU.

- **1999-2002**
Lecturer, Department of Computer Science, SQU.

- **1995-1999**
Assistant Lecturer, Department of Computer Science, SQU.

- **1993-1995**
Demonstrator, Department of Computer Science, SQU.

RESEARCH INTERESTS

- **Software Engineering**

- **e-Learning, m-Learning**

- **Smart Cities Software Development**
